Dear Resident, Family Member/Loved One,

Facility COVID-19 Update:

The county positivity rate for staff testing continues to be in the “yellow” status and our next testing dates are November 8-10th. If you will be doing an indoor visit, once we are out of outbreak status, then you will need to test weekly.

Great News!! All staff tested negative for COVID-19 during the week of November 1st- 6th. We tested all of our residents for COVID-19 and we had 170 test negative for COVID-19, and 4 are pending. **We will allow indoor and outdoor visitation once all resident test results are back and then we will officially be out of outbreak status.** We will keep you informed.

Our facility continues to have an adequate supply of PPE, but we are using some of it on a crisis/contingency plan according to CDC and CMS to preserve it. All employees are wearing face masks universally while in the building, and using eye protection whenever a staff member is within 6 feet of a resident or providing direct care. Full isolation including gowns, gloves, masks and eye protection are being used our monitoring unit for direct patient care.

We continue to follow COVID-19 policy and procedures including increased hand hygiene, increased sanitation of high touch surfaces and monitoring of employees, essential visitors, and residents to help mitigate the spread of COVID-19.

Great News!! We have **0** residents in the COVID-19 positive unit.

*Our in person visits (both outdoor and indoor) will start back up once we are out of outbreak status. We will allow these visits by appointment. Any visitors that do not adhere to required infection control practices will be asked to leave.

*All visitations will be coordinated by the facility’s “Visitation Coordinator.” Visitation may be scheduled by calling the Visitation Coordinator at 520-296-6181 Ext. 5033 between the hours of 8:00 am and 3:00 pm Monday through Friday.

Thank you for your support during this Pandemic.

Any questions please reach out to any of our Leadership Team or Heather Friebus Administrator directly at 520-906-1538.
