

# DEVON GABLES

REHABILITATION CENTER

11/10/2020

Dear Resident, Family Member/Loved One,

**Facility COVID-19 Update:**

**The CMS Pima county positivity rate is 9% and we continue to be in the “yellow” classification. All staff are currently testing November 8-10th.**

**Unfortunately one of our employees has tested positive for COVID-19, due to an exposure outside the Facility, the last day worked was Saturday November 7, 2020. All of the residents will be tested this week and we will keep you updated. The facility is now in outbreak status and all indoor and outdoor visits will be put on hold. Window and virtual visits will continue.**

Our facility continues to have an adequate supply of PPE, but we are using some of it on a crisis/contingency plan according to CDC and CMS to preserve it. All employees are wearing face masks universally while in the building, and using eye protection whenever a staff member is within 6 feet of a resident or providing direct care. Full isolation including gowns, gloves, masks and eye protection are being used our monitoring unit and exposed units for direct patient care.

We continue to follow COVID-19 policy and procedures including increased hand hygiene, increased sanitation of high touch surfaces and monitoring of employees, essential visitors, and residents to help mitigate the spread of COVID-19.

We continue to have **0** residents in the COVID-19 positive unit.

\*Our in person visits (both outdoor and indoor) are on hold as we are in outbreak status. We will allow these visits by appointment. Any visitors that do not adhere to required infection control practices will be asked to leave.

\*All visitations will be coordinated by the facility’s “Visitation Coordinator.” Visitation may be scheduled by calling the Visitation Coordinator at 520-296-6181 Ext. 5033 between the hours of 8:00 am and 3:00 pm Monday through Friday.

Thank you for your support during this Pandemic.

Any questions please reach out to Social Services or any of our Leadership Team.
